

YOUR TRUSTED SOURCE FOR SPATIAL DATA

sourcing spatial data for corporate
and government clients

June 2011

Data News

OMNILINK has been selected by multiple Federal Government departments to provide spatial data. These purchases included not only PSMA data subscription renewal licences but also several new licences for multiple years for all PSMA products. Welcome to our new clients.

With or without Panel Contract accessibility, please don't hesitate to contact us. Or if you require PSMA subscription maintenance renewal, please check us out.

Professional customer service and quality data is what we offer at competitive prices, based on our experienced licensing and data expertise.

Questions and feedback are always welcome. We are looking forward to working with you and your team to ensure a successful end of financial year and to explore the many mapping data purchasing options for your consideration. For more information, please contact Margreet, OMNILINK's Senior Data Account Manager on 0438 310 515 or email margreet@omnilink.com.au
